

	Autumn		Spring		Summer	
Year Group	Cycle A	Cycle B	Cycle A	Cycle B	Cycle A	Cycle B
Nursery	Observe and comments on aspects of their familiar world such as the place where they live or the natural world					
Reception	To understand where they live and that there are lots of other places in the world. Explain some similarities and differences between life in this country and life in other countries. Describe their immediate environment using knowledge from observation, discussion and stories.					
Year 1/2	Where am I?	What is it like to live here?	Would you prefer to live in a hot or cold country?	What is the weather like in the UK?	What is it like to live in Shanghai?	What can you see at the coast?
Year 3/4	Why do people live near volcanoes?	Are all settlements the same?	What are rivers and how are they used?	Where does our food come from?	Who lives in Antarctica?	Why are rainforests important to us?
Year 5/6	Why does population changes?	What is life like in the Alps?	Why do oceans matter?	Where does our energy come from?	Would you like to live in the desert?	Can I carry out independent fieldwork enquiry?
